

Steady On

Steady On is a high potency nutritional supplement, specially formulated with high levels of antioxidants and neurotransmitters for optimal neurological support. Over 50 of the highest quality ingredients have been brought together to create a multifunctional, synergistically complete powder with direct nutrient delivery. This proprietary blend of nutrients and herbs is available at a fraction of the cost of all of these nutrients taken separately and is easy to use due to its availability in powder rather than capsule form.*

Suggested Use

As a dietary supplement, take 1 level scoop one or two times daily, mixed with desired liquid, or as directed by a healthcare practitioner.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.

Product is sold by weight, not volume. Some settling may occur.
