Doctor's Best Sustained Release Vitamin C with PureWay-C® supplies a unique form of the essential nutrient vitamin C that contains vitamin C lipid metabolites. PureWay-C® has been studied in comparison to several other well-known forms of vitamin C. PureWay-C® has superior uptake, bioavailability and retention in cells, as well as more potent free radical scavenging capabilities than other forms of vitamin C.* This increased bioavailability means PureWay-C® has the potential to more potently support healthy neuron function and enhanced immune system activity as compared to other forms of vitamin C.*

Potent antioxidant and free radical scavenger activity*

Helps support the immune system*

Superior uptake, bioavailability and cell retention form of Vitamin C*
