

Doctor's Best MSM with OptiMSM® contains a high quality purified MSM (methylsulfonylmethane) backed by numerous clinical studies for safety and efficacy.* MSM is a natural sulfur compound that helps support the formation of healthy connective tissues.* It also helps support overall joint health, mobility, and a normal range of motion.* It also may help reduce oxidative damage to support a healthy immune system.*

MSM provides the sulfur reputable for being nature's 'beauty mineral'. Sulfur is a key component of collagen that supports the skin's structural framework and is also a building block of keratin, a structural constituent of hair and nails.*

- Helps support joint comfort and mobility***
- Helps support healthy immune response***
- Helps support antioxidant defenses***
- Helps support overall health for hair, skin, and nails***
