

Testosterone & Performance Loss

Open Here

- + Remember when you were younger... when you felt more Strength & Energy? Scientific studies show that as you age, testosterone production decreases 1% per year after the age of 20.
- + Testosterone is a hormone that's critical to male performance at work, at home, and in the gym.
- + Don't let age get in the way! Help reverse this natural decline with Progene, an all-natural, physician-recommended formula.

SUGGESTED USE: PROGENE DAILY COMPLEX IS A NON-SYNTHETIC FORMULATION THAT WORKS WITH YOUR NATURAL BODY PROCESSES AND SHOULD BE TAKEN AS PART OF AN ONGOING HEALTH REGIMEN. OPTIMAL RESULTS ARE ACHIEVED AFTER 60 DAYS AND ARE MAINTAINED WITH CONTINUOUS DAILY USE.

DIRECTIONS: TAKE TWO (2) TABLETS PER DAY AFTER A MEAL.

WARNING: THIS PRODUCT CONTAINS DHEA, A BANNED PERFORMANCE ENHANCING SUBSTANCE OF MOST PROFESSIONAL SPORTS ORGANIZATIONS. DO NOT USE IF YOU ARE AN ATHLETE WITH THE NFL, MLB, NCAA OR OLYMPICS. Not intended for use by persons under 40 or by women, especially those who are pregnant or nursing. As with any other supplement, consult a physician or licensed qualified health care professional before using this product if you have any specific medical conditions- especially if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects related to Testosterone supplements include acne, hair loss, hair growth on the face, aggressiveness, irritability, and increased or imbalanced levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. **KEEP OUT OF REACH OF CHILDREN.** Immediately contact your physician with any adverse effects then report this to the Food and Drug Administration's MedWatch medical product reporting hotline (800-332-1088) and to Progene Healthcare (866-776-4363).
