

BODYBUILDING.COM SIGNATURE

A signature is a promise. A symbol of your identity. Your mark on the world. Bodybuilding.com was founded on a single promise: Trust. It's who we are and it's in our blood. Our Signature line is built on the same promise. Every product is transparent, filler-free, and formulated with effective doses of research-backed ingredients you can trust. We create the highest quality supplements, so you can focus on leaving a mark of your own.

Made up of three essential amino acids — leucine, isoleucine, and valine — BCAAs promote muscle growth and recovery.* We've included them in a 3:1:1 ratio, compared to many other BCAA products' 2:1:1 ratio, because of leucine's superior anabolic potential.*

Directions for Use: Shake well before each use. Add one scoop (8 grams) to 10 ounces of cold water and mix thoroughly. Drink within 30 minutes post-workout, and throughout the day as needed.

Warnings: Consult your physician before using this product. Not for use by those under the age of 18 or by women who are pregnant, trying to become pregnant, or are nursing.
