BODYBUILDING.COM SIGNATURE

A signature is a promise. A symbol of your identity. In 1999, Bodybuilding.com was founded on a single promise: Trust. It's who we are. Every Bodybuilding.com Signature product is transparent, filler-free, and contains effective doses of research-backed ingredients you can trust.

Signature Probiotic provides the clinically studied amount (10 billion CFU) of 3 premium bacterial strains that are shown to deliver benefits to digestive and immune health by modulating the microbial make-up of the intestines.* We've also used premium probiotic packaging to provide active cultures, which is key to ensuring that your probiotics are alive and effective.
