

Recommended Dose: Take 3 capsules daily with a meal or as recommended by your health professional. **Warning:** If you have hyperkalemia or abnormal kidney function, or take ACE inhibitors or potassium sparing diuretics, do not use. If you are taking health products that affect blood coagulation, do not use, as this may increase the risk of spontaneous bleeding. If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. **Keep out of the reach of children.** Use only if safety seal is intact. Store in a cool, dry place.
