

**Recommended Use:** As a dietary supplement for liver support, four (4) capsules per day with meals, or as directed by a physician.

The liver is the body's major "workhorse" organ but is continually under threat from toxic pharmaceuticals and pollutants, alcohol, food borne toxins, and viruses. Hepa Trope II™ is an ultra-potent blend of vitamins, minerals, and other nutrients for liver support. Siliphos™ Milk Thistle Seed Extract from Indena has uniquely superior bioavailability and supplies potent antioxidant power. Reduced glutathione (GSH) is absorbed into the blood to support intracellular GSH reserves. Alpha-lipoic acid is a versatile antioxidant and enzyme cofactor for energetics. N-acetyl-cysteine is a potent antioxidant and GSH precursor. Glycine is an antitoxic liver conjugant and GSH precursor. Glutamine is another GSH precursor and a facile energy substrate. Taurine is a major antitoxic conjugant, an important antioxidant, and essential to make bile. PhosphatidylCholine (PC), Phosphatidyl-Ethanolamine (PE) and the other phospholipids are key building blocks for the liver cell membranes that are subject to high turnover from toxic damage. Trimethylglycine provides methyl equivalents along with PC, to support cell renewal and repair. Both Magnesium, an essential mineral, and pyridoxine/vitamin B6 are cofactors for many liver pathways. Molybdenum is an essential mineral and cofactor for sulfite detoxification enzymes. Dandelion root concentrate facilitates bile production. Hepa Trope II™ represents the state of the science for nutritional liver support.

Synergistic Liver Performance Nutrients**

Boosts body antioxidants and atitoxins  
Facilitates liver detoxification processes  
Supports liver cell renewal and repair  
Promotes bile formation for digestion

**120 CAPSULES**

**Supplement Facts**

**Serving size: 4 capsules**

<b>Amount per Serving</b>	<b>%DailyValue</b>	<b>*(DV)</b>
Vitamin B6 (as pyridoxine Hydrochloride)	25mg	1250%
Magnesium (as citrate)	50mg	12%
Molybdenum (as sodium molybdate)	100mcg	133%
Siliphos™ bioavailable Milk Thistle seed extract	240mg	•
Alpha-lipoic acid	300mg	•
PhosphatidylCholine (PC), Phospholipid	295mg	•
Phosphatidyl-Ethanolamine, -Inositol	140mg	•
Trimethylglycine /beta-alanine	100mg	•
Glutathione ("reduced glutathione")	50mg	•
NAC (N-Acetyl-Cysteine)	200mg	•
Glycine	100mg	•
Glutamine	200mg	•
Taurine	1000mg	•
Dandelion root, 12:1 concentrate	100mg	•

\*Daily Value (DV) not established. Percent DV based on a 2000 calorie diet

**Free of:** Yeast, wheat, corn, milk, glutens, rice, sugar, starch, salt, preservatives, and artificial coloring or flavors.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease. Not to be used by pregnant or nursing mothers unless directed by a physician. Keep this and all dietary supplements out of the reach of children. Store in cool dry place with cap tightly sealed. Good quality control is maintained during each step of formulation.
