

GastroMycin with bismuth salts

A unique blend of bismuth salts with licorice and other plant based supportive nutrients. May be used in combination with Item #73660 Mastica.

Suggested Use

As a dietary supplement, 4 capsules three to four times daily with meals, or as directed by a healthcare practitioner.

Do not use longer than two months without the supervision of a healthcare practitioner.

These nutrients are the purest obtainable, free of all common allergens (antigens), and do not contain preservatives, diluents, or artificial additives. Appropriate for food-sensitive individuals.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
