

Doctor's Best Bone Maker® with Bonolive™ (olive leaf extract) has been clinically studied to help support bone building cells. Bonolive™ is a calcium-free bone health supplement to help build bones by supporting osteoblasts, cells that build bones.*

Bone Maker® contains olive leaf extract standardized to 40% Oleuropein (active ingredient) versus typical olive leaf extracts that contain only 20%. Oleuropein works in support of two fundamental bone health goals: supporting bone formation and bone strength.*

Easy to swallow in just one small capsule per day*

Helps increase bone building cells (osteoblasts)*

Helps decrease bone dissolving cells (osteoclasts)*

Helps support bone density*

Water soluble for superior bioavailability*
