- Can be taken at meal time, rather than 30 minutes before as with other chitosans
 - Supports healthy body weight
 - Regulates glucose, fat cell and muscle cell metabolisms
- Science-Backed Quality Since 1969

Suggested use: As a dietary supplement, take two caplets with 8 ounces of liquid with each meal. Medications, fat soluble vitamins (A, D, E and K) and oil supplements should be taken at least 4 hours before or after ingestion of Chitosan to ensure absorption.

LipoSan ULTRA® is a registered trademark of Primex ehf.

WARNING: For adults only. Consult your physician before use if you are pregnant or nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do not use if seal is broken. Store in a cool, dry place.
