

Recommendation: As a dietary supplement, take one tablespoon of Life Source mixed with 8 ounces or more of your favorite juice or water, preferably in the morning on an empty stomach. One dose is equal to taking three capsules three times a day. For added support, try one teaspoon mixed in yogurt anytime of the day.

Do not use if safety seal is missing or broken. Keep out of reach of children. Store in a cool, dry place.

Warning: If you are pregnant, nursing, taking any medications, or experiencing any health issues, consult your doctor before use.

LIFE SOURCE is a whole food supplement with vitamins, minerals & anti-oxidants that support the immune system, mental clarity, and more.*
