

Doctor's Best Fast Acting Arginine Complex with Nitrosigine® uses a patented bonded form of arginine silicate, clinically shown to significantly boost nitric oxide (NO) levels. NO is a key factor in increasing blood flow to working muscles. Engineered to take effect within 15 minutes, it delivers benefits through your entire workout for up to 6 hours – with a single dose!* Continued use builds NO levels, which can boost blood flow and vessel flexibility.*

Helps support arginine and silicon levels*

Helps boost nitric oxide (NO) levels to support overall cardiovascular health*

Fast acting advanced ingredient that works within 15 minutes, delivering benefits that last up to 6 hours with a single dose*
