

Prima Uña de Gato

Cat's claw extract standardized to a minimum of 0.5% pentacyclic oxindole alkaloids (POAs), and 100% free of tetracyclic oxindole alkaloids (TOAs). Minerals and enzymes are added to the formula.

Suggested Use

As a dietary supplement, 1 capsule one to three times daily, on an empty stomach, or as directed by a healthcare practitioner.

Use under medical supervision. Herxheimer reaction may occur. Not recommended for pregnant or nursing women or organ transplant recipients.

Keep in a cool, dry place, tightly capped.
