Take Back Your Life with One Capsule a Day

Longing to get your life back—before hot flashes, night sweats, and irritability became your new normal? In all the buzz about what's the best way for you to approach menopause, you can feel confident in this convenient, one-per-day capsule.

The dosage of black cohosh in this amazing product is the same clinically studied dosage validated by European research. It includes a full spectrum of phytonutrients that are responsible for consistent, safe, and effective menopause symptom relief.*

If You're Ready For Relief From:

- Hot Flashes
- Night Sweats
- Irritability
- Occasional Sleeplessness
- Mood Swings*

This is Your Answer.

Menopause Relief is an estrogen and soy free choice—a welcome alternative to Hormone Replacement Therapy (HRT) for menopausal symptoms.*

It's Time to Take Back Your Life!

The Right Dose for Best Results

With black cohosh, more is not necessarily better. Research has shown that potency, extraction method, and quality are the most important factors for effective relief of menopausal symptoms.*
