Clinically Studied Formula

Sucontral® D is a clinically studied formula powered by *Hintonia latiflora*, a botanical with a long history of traditional use. Scientists have discovered a unique compound in this plant that powerfully supports healthy blood sugar* balance and has been validated by over 60 years of German research.*

Sucontral D combines *Hintonia latiflora* with supportive B vitamins, folic acid, vitamins C and E, and the trace minerals zinc and chromium. These important nutrients are cofactors for healthy insulin function and blood sugar* metabolism.*

- Maintenance of healthy blood sugar levels throughout the day*
- Healthy insulin function
- Healthy A1C levels*
- Carbohydrate metabolism*

Keep a Balanced Life with Sucontral D!

Clinically Studied, Real Results!

Quality of Life Improvement

Clinical research showed that, with continued use, **Sucontral® D** improved overall quality of life associated with blood sugar balance.*†
