Nature's Answer for Bladder Health*

SagaPro® is nature's answer for bladder health. This proprietary extract of *Angelica archangelica* leaves is from plants grown in the pristine environment of Iceland, where angelica has been prized for centuries. It was once considered so valuable that it was used as a form of currency.

Today, the angelica leaves used in **SagaPro** are carefully gathered in an eco-friendly and sustainable manner. This clinically studied product is a modern update to a trusted botanical and has been shown to deliver powerful bladder support.*

In Women, **SagaPro** is ideal for healthy bladder strength and function.*

In Men, **SagaPro** supports healthy bladder and prostate function.*

The Bladder Support You've Been Looking For*

SagaPro® contains key compounds that support the smooth muscle of the bladder. That means you can rest easy in more ways than one: in a recent clinical trial, participants experienced support for healthy bladder function and reported improved sleep patterns as a result.*†
