Serving Size 1 Tablet

|                                                                                                                                    | Amount<br>Per Serving | % Daily<br>Value |
|------------------------------------------------------------------------------------------------------------------------------------|-----------------------|------------------|
| Vitamin C                                                                                                                          | 1000 mg               | 1110%            |
| (as Active C® (as Tri-Scorb™ Proprietary Blend (as calcium ascorbate, zinc ascorbate, magnesium ascorbate)) and ascorbic acid)     |                       |                  |
| Calcium                                                                                                                            | 120 mg                | 10%              |
| (as Active C® (as Tri-Scorb™ Proprietary Blend (as calcium ascorbate, zinc ascorbate, magnesium ascorbate)) and calcium carbonate) |                       |                  |
| Magnesium                                                                                                                          | 20 mg                 | 5%               |
| (as Active C® (as Tri-Scorb™ Proprietary Blend (as calcium ascorbate, zinc ascorbate, magnesium ascorbate)) and magnesium oxide)   |                       |                  |
| Zinc                                                                                                                               | 4 mg                  | 36%              |
| (as Active C® (as Tri-Scorb™ Proprietary Blend (as calcium ascorbate, zinc ascorbate, magnesium ascorbate)) and zinc oxide)        |                       |                  |
| Citrus Bioflavonoid Complex                                                                                                        | 111 mg                | *                |
| Hesperidin (from 90% std. Citrus Bioflavonoids) (100 mg)                                                                           |                       |                  |
| Rutin ( <i>Sophora japonica</i> )(bud)                                                                                             | 25 mg                 | *                |
| Rose Hips ( <i>Rosa canina</i> )(fruit)                                                                                            | 20 mg                 | *                |
| Acerola 4:1 Extract<br>( <i>Malpighia glabra</i> )(fruit)                                                                          | 20 mg                 | *                |
| Black Pepper Concentrate                                                                                                           | 5 mg                  | *                |

\* Daily Value not established.

**Other ingredients:** Microcrystalline cellulose, aqueous coating, stearic acid, croscarmellose sodium, silicon dioxide, magnesium stearate, titanium dioxide, riboflavin.

**Does not contain:** Gluten, Salt, Preservatives, Artificial Colors or Flavors.

**DIRECTIONS:** Take one (1) tablet daily, preferably with a meal.

**WARNING:** Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medication or have any medical conditions.

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.
