

Phyllanthus Complex

A combination of traditional herbal foods. *Phyllanthus amarus* has been used worldwide for centuries for nutritional support of liver function.* Milk thistle and dandelion root are also traditionally recognized as nutritional support for the liver.*

Suggested Use

As a dietary supplement, 1 capsule two or three times daily with meals, or as directed by a healthcare practitioner.

These nutrients are of the highest quality and purity obtainable, are free of all common allergens (antigens), and do not contain preservatives, diluents, or artificial additives.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
