

HERBAL HILLS®

Krounchbeej

Powder

Mucuna pruriens

1kg

क्रौंचबीज पावडर

• Krounchbeej also known as kapikachu as per ancient texts. Krounchbeej is considered to help build fertility and improve health and well being. Numerous modern scientific studies support the positive effects of the component herbs that may help build up immunity and physical stamina.

- May support healthy kidney functions.
- It contains L-Dopa, which may help testosterone management.
- May support healthy nerve and sexual functions.

Dosage: Take 3 gms powder, 1 to 2 times a day or as advised by the physician.

Caution: Pregnant or lactating women are advised to consume herbal products under the advice of the physician.

• These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
