

FIGHT FAT WITH REAL CARB CONTROL*

Now you can fight fat with real carb control! Enjoy a delicious lemonade flavored Keto Science™ Real Ketones drink to help support your ketogenic diet. The keto lifestyle limits carbohydrate intake in order to stimulate your body's natural ability to burn the energy (fat) it has stored as a reserve. Our bodies produce natural ketones when we limit carbohydrate intake, which is also known as "ketosis." Real Ketones is designed to help to support ketosis by providing patented and university studied goBHB™, so all you have to do is mix, shake and go!*
