

HERBAL HILLS®

Pippali

Root Powder

Piper longum

1kg

पिंपली
मूल पावडर

• Pippali mool is considered to be a rejuvenative for lungs. It may help relax blood vessels and therefore increases circulation, specifically in the lungs. It may help stimulate digestion and increase assimilation of nutrients. Pippali mool is considered to have hepatoprotective properties.

- May help support healthy respiratory and gastric functions.
- Considered to have expectorant properties.
- May help support the bio availability of other herbs.
- May support healthy weight management.

Dosage : Take 2 gms powder, 1 to 2 times a day or as advised by the physician.

Caution : Pregnant or lactating women are advised to consume herbal products under the advice of the physician.

• These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Store in a cool dry place away from direct sunlight.
