

Recommended Use:

As a dietary supplement, one to three (3) capsules per day, preferably between meals, or as directed by a physician.

The **MSM Forte™** formulation provides the important element sulfur as **MethylSulfonylMethane (MSM)**, a naturally occurring organic source. MSM is easily assimilated, safe to take and very well tolerated. Sulfur from MSM is incorporated into practically all biochemical pathways, notably **methionine** metabolism, from which is derived the electro-antioxidant **taurine**; the amino acid **cysteine**, used for glutathione synthesis; and the related **cystine**, which helps consolidate protein structure. Sulfur-sulfur bonds between **cystine** amino acids maintain the 3-dimensional shapes essential to the biological activity of enzymes, receptors, and other proteins. **MSM Forte™** also provides **glucosamine**, **N-acetyl-glucosamine**, and **chondroitin sulfate**, building blocks for connective tissue and mucus. **Ascorbic acid** (vitamin C) is included to help conserve the protein sulfur bonds and as an essential cofactor for collagen synthesis. The essential mineral **molybdenum** is included as a cofactor for sulfur-metabolizing enzymes.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not to be used by pregnant or nursing mothers unless directed by a physician. Keep this and all nutritional supplements out of the reach of children. Store in a cool dry place with cap tightly sealed. Strict quality control is maintained during each step of formulation.

Supplement Facts

Serving Size: 3 capsules

Servings per Container: 30

Amount per Serving		%Daily Value
Molybdenum (as sodium molybdate)	100 mcg	133
Ascorbic acid (vitamin C)	300 mg	500
MethylSulfonylMethane (MSM)	1500 mg	*
Glucosamine	100 mg	*
N-Acetyl Glucosamine	75 mg	*
Chondroitin Sulfate	50 mg	*

*Daily Value (DV) not established. Percent DV based on a 2000 calorie diet.

Inactive ingredients: Magnesium stearate, silicon dioxide, microcrystalline cellulose.

Free of: Yeast, wheat, corn, soy, egg, milk, glutens, rice, sugar, starch, salt, preservatives, and artificial colorings or flavors.
