

Ayurvedic BP Formula

Arjuna is a unique herb that helps maintain a healthy heart and reduces the effects of stress and nervousness.* It promotes effective cardiac functioning and assists in maintaining already healthy blood pressure levels.*

Rauwolfia is a climbing shrub found in the tropical Himalayas, as well as other tropical locales. Its alkaloids are known to support already healthy blood pressure levels.*

Convolvulus, also known as Ipomoea root, is native to the hotter parts of India. The roots are tonic, mucilaginous and have a bitter taste.* It acts as a mild purgative.* This herb is also known to help maintain already healthy blood pressure levels.*

Tribulus is esteemed as a cooling tonic.* Its action on the mucous membrane of the urinary tract closely resembles that of buchu and uva ursi flowers.*
