

**Directions:** As a dietary supplement, take one softgel daily, preferably with a meal or as directed by a healthcare practitioner.

**Bluebonnet's D.Salina Beta-Carotene 25,000 IU Softgels** contain one the highest quality antioxidant complexes on the market, Betatene®, which includes the safe precursor form of vitamin A, beta-carotene along with other mixed carotenoids (alpha-carotene, zeaxanthin, lutein and cryptoxanthin) from the algae Dunaliella salina harvested in the crystal clean lakes of Whyalla, Australia. Available in easy-to-swallow softgels for maximum assimilation and absorption.

Betatene® is a registered trademark of BASF SE.

Made in USA from domestic and imported ingredients.

Manufactured for  
**Bluebonnet Nutrition Corporation**  
12915 Dairy Ashford  
Sugar Land, Texas 77478 USA
