

ISOFIT™ PRODUCT HIGHLIGHTS

- 25 Grams of Protein per Serving
- Fast Absorbing Whey Protein Isolate†
- Instantized: Mixes Easily†
- High in Essential Amino Acids†
- High in Natural BCAAs†
- Low in Fat & Sugar†
- Lactose-Free & Gluten-Free†
- No Amino Spiking Ingredients†

ISOFIT™ was created using a cross-flow microfiltration process to deliver a high quality whey protein isolate powder. This particular whey protein digests quickly in the body, making it the absolute perfect way to charge your muscles before and after your workout. ISOFIT delivers high amounts of naturally occurring essential amino acids (EAA), including branch chain amino acids (BCAA), to prime your body for the optimal conditions for protein synthesis leading to a higher level muscle growth.† ISOFIT's mouthwatering flavors makes this protein effortless to drink while leaving you craving for more.
