

HERBAL HILLS®

Shatavari

Powder

Asparagus racemosus

1kg

शतावरी पावडर

• Shatavari is the main rejuvenating traditional herb for women. It supports maintenance of healthy female reproductive organs. Shatavari is also considered to be a source of plant driven estrogen, hence making Shatavari a healthy choice for nursing, menopausal & postmenopausal women.

- May support reproductive health by toning and nourishing the female reproductive organs.
- May help maintain healthy hormonal balance.
- May support normal function of the immune and digestive system.

Dosage : Take 3 gms powder, 1 to 2 times a day or as advised by the physician.

Caution : Pregnant or lactating women are advised to consume herbal products under the advice of the physician.

• These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Store in a cool dry place away from direct sunlight.
Keep out of reach of children. Do not use if pouch is broken.**
