Turmeric Supreme Immune A.S.A.P.

For thousands of years Turmeric has been valued in Ayurveda, the traditional medicine system of India. Today, science has identified compounds in Turmeric, Curcumin in particular, which support healthy inflammatory function—maintaining overall health and vitality.*

Turmeric Supreme Immune A.S.A.P. helps your body's immune function when you need it.* Curcumin has been shown to stimulate production of proteins which help regulate innate immune cell function.* Combined with Echinacea, Elderberry and other supportive herbs, **Immune A.S.A.P.** delivers broad immune support when taken at onset.*
