

Lactobacillus

L. plantarum/rhamnosus/salivarius

Contains three particularly hardy strains of the friendly probiotic bacteria lactobacillus. Lyophilized (freeze dried).

Suggested Use

As a dietary supplement, 1 capsule one to three times daily on an empty stomach, or as directed by a healthcare practitioner.

These nutrients are of the highest quality and purity obtainable, are free of all common allergens (antigens), and do not contain preservatives, diluents, or artificial additives.

To maintain potency, store tightly closed and refrigerated. Short term heat exposure is acceptable.
