

Laktoferrin with Colostrum

High quality laktoferrin from Dutch range-grazed cattle, with 95% purity and low iron content. Enhanced with Colostrum from BSE-free cattle and lysozyme, which augment the activity of laktoferrin.*

Suggested Use

As a dietary supplement, 1 to 4 capsules at night before bed, or as directed by a healthcare practitioner.

These nutrients are of the highest quality and purity obtainable, and do not contain preservatives, diluents, or artificial additives.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
