

L-Arginine

L-Arginine is considered a semi-essential amino acid. Free form amino acid, high purity, well tolerated.

Suggested Use

01102 EXF 10-13

As a dietary supplement, 1 capsule one to three times daily between meals, or as directed by a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, is free of all common allergens (antigens), and does not contain preservatives, diluents, or artificial additives.

Appropriate for food-sensitive individuals.

Keep in a cool, dry place, tightly capped.
