

PRIMETM

ANTI-AGING NUTRACEUTICALS

secretagogue

(HGH ENHANCER)[†]

with L-ARGININE ASPARTATE

Net Weight: 12.48 oz. (354 g)

DIETARY SUPPLEMENT

PRIMETM Secretagogue works with your body to help naturally stimulate the pituitary gland, resulting in increased human growth hormone (HGH) secretion and release. Increased HGH levels have been associated with health benefits, including increased lean body mass and help maintain a healthy immune system and support sexual vitality.[†]

Directions for Use: Use only as directed. Mix one scoop in 8 to 10 fl. oz. of water. Take 30-60 minutes before bedtime or at least 45 minutes after a weight training/aerobic exercise activity. For best results, do not eat or take any supplements 1½ to 2 hours prior to or after use. Take consecutively for five days, skipping two days, then repeat.

WARNING: For use only by individuals 30 years of age or older. Consult a healthcare provider before using this product if you are taking any prescription medications, have had liver or kidney disease, uncontrolled diabetes, hypertension, benign or malignant tumors, or any other medical condition. Do not use this product if you are allergic to any of the ingredients or if you are pregnant or breastfeeding. L-arginine may impact blood pressure medication.

KEEP OUT OF THE REACH OF CHILDREN.

Store at 59-86°F (15-30°C). Protect from heat, light and moisture. Do not purchase if seal is broken.
