

Recommendation: As a dietary supplement, take one or two capsules in the early morning and early afternoon.

Do not use if safety seal is missing or broken. Keep out of reach of children. Store in a cool, dry place.

Warning: If you are pregnant, nursing, taking any medications, or experiencing health issues (especially glaucoma), consult your doctor before use.

MSM is an odorless, essentially tasteless, water-soluble white crystalline substance that serves as an important, bio-available source of dietary sulfur. Sulfur plays an indispensable role in human nutrition that is unfortunately often overlooked. It is an essential dietary component responsible for maintaining the bonds between certain amino acids. It has a critical role in maintaining the integrity of connective tissue.*
