

Nattokinase 50 mg

Isolated and purified nattokinase, an enzyme derived from a process of fermentation involving boiled soybeans and *Bacillus subtilis natto*. Research has shown nattokinase to support healthy coagulation of blood within normal levels and enhance fibrinolytic activity.* Vitamin K2 has been removed.

Suggested Use

00484-1 EXP 4-18

As a dietary supplement, 2 capsules two times daily initial dose, or as directed by a healthcare practitioner. May be taken with or without food. Take with 8 to 10 ounces of water.

If taken with anticoagulant drugs, use under medical supervision. Contraindicated in any condition associated with bleeding.
