

nutriclean®

DETOX + CLEANSE + BALANCE†

Advanced Fiber Powder

Dietary Supplement
Net. Wt. 10.79 oz./319.2 g

While the U.S. Surgeon General and many professional health organizations recommend a diet containing 25 to 30 grams of fiber per day for a 2,000- to 2,500-calorie diet, most diets barely provide half of the needed intake — about 10 to 15 grams per day. With one daily scoop of **NutriClean® Advanced Fiber Powder**, you receive 9 grams of needed fiber that will supplement what you take in through food.†

Directions for use: Mix 1 rounded scoop (11.4 g) of NutriClean Advanced Fiber Powder in an 8 fl. oz. glass of cold water, stir or shake briskly, and drink immediately. Drink plenty of fluids while using this product. Use once daily or as directed by your healthcare provider.

WARNING: Do not use this product if you are experiencing abdominal pain, nausea or vomiting. Do not use if you are allergic to any of the listed ingredients. If you are taking any prescription medication, have an ongoing medical condition, or are pregnant or breastfeeding, you should consult your healthcare provider before using this product. If you have scleroderma (systemic sclerosis), you should consult your healthcare provider before taking any type of fiber product. Consult a healthcare provider if you have experienced a sudden change in bowel habits that has persisted for two weeks prior to taking this product. Rectal bleeding or failure to have a bowel movement after use of a fiber product may indicate a serious condition. If you experience these effects, discontinue use immediately and consult your healthcare provider. Product intended for adult use only. Keep out of reach of children.

Store at 15-30°C (59-86°F). Protect from heat, light and moisture. Do not purchase if seal is broken or missing.
