

Directions: As a dietary supplement, take one capsule daily, preferably with a meal or as directed by a healthcare practitioner.

Bluebonnet's Beautiful Ally® Resveratrol 250 mg Capsules are specially formulated with the active *trans* isomer from Japanese knotweed (a more concentrated source of *trans*-resveratrol) and 4:1 red wine extract from grape berry fruit. The active components in resveratrol may help to protect skin from the environment and the aging process by reducing free-radical damage thereby improving the appearance of fine lines and wrinkles, lessening dryness and smoothing skin texture. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦
