

REVEAL YOUR INNER GLOW

Skin health is a central concern at every age. Over time, a powerful enzyme known as elastase degrades elastin, the protein that keeps your skin resilient and flexible.

Lifeway Women's Radiant Health Probiotics is formulated with Dermalval™, a patent-pending, all-natural combination of vegetable and fruit concentrates. Each ingredient in Dermalval™ was strategically chosen for its potential to help reduce elastase in the body.*

When incorporated into a daily health and beauty routine, Dermalval™ may help reduce elastase caused by daily activities.*
