

L-Methionine

L-methionine, an essential sulfur-bearing amino acid. Free form amino acid, high purity, well tolerated.

Suggested Use

As a dietary supplement, 1 capsule one to three times daily between meals, or as directed by a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, is free of all common allergens (antigens), and does not contain preservatives, diluents, or artificial additives.

Appropriate for food-sensitive individuals.

Keep in a cool, dry place, tightly capped.
