

Directions: As a dietary supplement, take two capsules once daily or as directed by a healthcare practitioner.

Bluebonnet's Targeted Choice® EyeCare™ Capsules are specially formulated with the clinically studied nutrients recommended by the National Eye Institute based on the AREDS2 study, as well as hyaluronic acid and sustainably harvested or wildcrafted super fruits (e.g., bilberry and wild blueberry) to help protect eyes from blue light (e.g., LED). Shielding the eyes from photo stress caused by blue light from high tech devices like computer, smartphone and tablet screens may improve visual performance and support healthy eyes for years to come. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦
