

SUGGESTED USE: SHAKE WELL before use. As a dietary supplement for adults, take 0.5 mL twice daily, preferably with a meal or as directed by a healthcare practitioner. This formulation provides natural Vitamin E in a convenient dropper dosage form. This product contains 100 mg of Vitamin E, which is equivalent to 150 IU.

If you are pregnant, nursing, taking any medications, planning any medical or surgical procedure or have any medical condition, please consult your healthcare practitioner before taking any dietary supplement. Discontinue use and consult your healthcare practitioner if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if outer bottle seal is missing or damaged.

NATURAL

LIQUID VITAMIN E

MIXED TOCOPHEROL
COMPLEX

Vitamin E is an important, essential nutrient that is crucial for good health.* It is the body's primary fat-soluble antioxidant and appears naturally in several variant forms, called tocopherols. It is found in most vegetable oils, wheat germ, raw seeds and nuts, eggs, leafy vegetables and legumes. **Vitamin E** supports various bodily functions, including nutritional support for the immune system.* As an antioxidant, it helps fight cell-damaging free radicals that cause oxidative stress in the body, which may contribute to the premature aging of cells.* This formulation provides natural Vitamin E in a convenient dropper dosage form.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
