Hydrate with Jigsaw Electrolyte Supreme™

Plain drinking water (even bottled “mineral water”) does not deliver the necessary quantity or balance of the essential minerals and electrolytes that your body requires for optimal hydration. Jigsaw Electrolyte Supreme™ provides a balanced combination of key electrolytes and minerals such as calcium, magnesium, zinc, selenium, sodium and potassium as well as important B complex vitamins in their active, bioavailable form to enhance energy production.*

“Awesome electrolyte containing everything I need. I haven’t had leg cramps since using this product.” -Tony

“Following the keto diet and this makes me feel energized and on the move. Love the berry flavor, definitely recommend to others.” -Denise

Jigsaw’s Quality Promise

Every batch of product is tested by a 3rd party lab to ensure purity and potency. And, the results are posted online for all to see; we believe that what’s on the label is what should be in the packets, and nothing else.

The Jigsaw Guarantee

Jigsaw Health is committed to providing you with highly effective, premium-quality supplements. However, if you are not completely satisfied with a purchase, we offer a 90-day, hassle-free, FULL money-back guarantee... that includes the cost of shipping.
