

SUGGESTED USAGE: Take 2 tablets daily on an empty stomach.

NOW® L-Citrulline is a supplemental source of this non-essential but extremely important amino acid. Citrulline plays a unique role in the support of protein synthesis and positive nitrogen balance, particularly in muscle tissue, making it ideal for athletes and active individuals.* NOW® L-Citrulline Sustained Release (Amino SR™) Tablets allow for prolonged citrulline release, which in turn supports sustained protein metabolism.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially blood pressure medications and nitrates or other vasodilating drugs), or have a medical condition (especially abnormal blood pressure). Keep out of reach of children.
