60 Tablets

ENTERIC
COATED

A Dietary Supplement

Vegetarian/Vegan

Suggested Usage: Take 1 tablet 2 to 3 times daily, preferably on an empty stomach.

Refrigeration recommended after opening.

SAMe (S-adenosylmethionine), a compound native to the body, is a component of many biochemical reactions, including those that affect brain biochemistry and joint health.* Numerous studies have indicated that SAMe can help to alleviate transient minor aches and pains resulting from overexertion or strain.* In addition, because SAMe is also necessary for the synthesis of neurotransmitters, it plays an important role in mood support.* NOW® SAMe is enteric-coated, which makes it very well tolerated and protects it from degradation.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Individuals with bipolar depression, anxiety disorders or taking antidepressant medications should not take SAMe unless under professional medical supervision. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
