Nature's Plus® The Energy Supplements®

OXY-NECTAR is the first scientifically engineered ten-stage antioxidant beverage ever developed. Each delicious mixed berry serving supplies a concentrated profile of vitamins, minerals, amino acids and bioflavonoids, including beta carotene, the OptiZinc brand of zinc monomethionine† and maritime pine bark extract. This potent nutrient blend is then synergistically fortified with standardized herbs, fruit and vegetable extracts, whole foods, plant enzymes and cell pigments, for ultimate antioxidant protection.
