

BLACKSTONE **ANOGENIN**
LABS

INCREASES PROTEIN METABOLISM †
INCREASES NITROGEN RETENTION †

DIRECTIONS

As a dietary supplement, take one (1) capsule per day with food. Do not take more than two capsules daily. Use in cycles of 8-12 weeks, taking at least 4 weeks off in between cycles. This product does not require a PCT. Store in a cool, dry place.

WARNING

KEEP OUT OF REACH OF CHILDREN. This product should not be taken by individuals under 18 years of age. Consult a licensed health professional before taking this product. This product is not intended as a sole source of nutrition and should be consumed in conjunction with an appropriate physical training or exercise program. You should not take this product if you have any current or pre-existing medical conditions, or if you are pregnant or nursing. Do not take this product if you currently taking any anti-depression, MAO/MAOI inhibitors, or any prescription or over-the-counter medications, or if you are being treated for any condition. Do not exceed recommended serving, as it could result in serious adverse health effects. This product may elevate serum hormone levels which could produce positive results if you are subject to NCAA testing.
