

Recommended Use: As an adult dietary supplement take one (1) capsule with meals twice daily or as directed by a healthcare practitioner.

The professionally formulated, multi-vitamin-mineral dietary supplement product provides the full range of vitamins and mineral nutrients essential for human nutrition. Ultra Multiplex Advanced is highly potent, and sharply focused on the micronutrients that are often reported to enhance cell and tissue homeostasis, optimize organ function, and promote the body's well-being. It also provides diverse cofactors that are considered to facilitate the actions of the other nutrients. The nutrients compounded together into Ultra Multiplex Advanced are carefully chosen for maximum bio-availability.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not to be used by pregnant or nursing mothers unless directed by a healthcare practitioner. Keep this and all dietary supplements out of the reach of children. Store in cool dry place with cap tightly sealed. Strict quality control is maintained during each step of formulation.

Free of: Yeast, wheat, corn, milk, rice, sugar, salt, gluten, preservatives, and artificial colorings, hormones or flavors.

Other Ingredients: Magnesium stearate, silica.
