

**Suggested Usage:** Take 1 capsule 1 to 3 times daily with food.

Tru-C™ features acerola, a fruit from a plant native to South America. Acerola has one of the highest concentrations of vitamin C found in nature, with a content that's approximately 100 times that of a peeled orange. Acerola also has naturally occurring carotenoids and flavonoids which, together with vitamin C, support immune and vascular health and give acerola its potent free radical-neutralizing properties.\* This formula contains no vitamin C from corn or citrus and includes a unique fruit and vegetable blend.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
