

THE MOST INTENSE STIMULANT FORMULA! †
LASER-LIKE NOOTROPIC FORMULA †
SKIN STRETCHING PUMPS †

DIRECTIONS

As a dietary supplement, mix 1 scoop of Dust X in 8-10oz of water 30 minutes prior to workout on training days, or first thing in the morning on non-training days. Due to extreme potency, new users may want to assess tolerance with 1/2 scoop. Do not exceed 1 scoop per day.

WARNING

KEEP OUT OF REACH OF CHILDREN. This product should not be taken by individuals under 18 years of age. Consult a licensed health professional before taking this product. This product is not intended as a sole source of nutrition and should be consumed in conjunction with an appropriate physical training or exercise program. You should not take this product with other caffeinated products, stimulants, MAO inhibitors, alcohol or other medications. Do not take this product if you have any current or pre-existing medical conditions, or if you are pregnant or nursing. Do not exceed recommended serving, as it will not improve results and could result in serious adverse health effects. In the case of an accidental overdose, contact a poison control center immediately. Contact a licensed healthcare professional immediately if you experience an unusually rapid heartbeat, dizziness, severe headache, or shortness of breath.
