Do not use if safety seal is broken or missing. Store product in a cool and dry place.
Warning: Consult a Physician before using this or any product, if you are pregnant, lactating, or have any medical condition.

Contains: Soy

§ The Iron in SierraSil is naturally-occurring and shown to be safe for human consumption. Research shows that only 1.1 mg of iron per serving or 8% of Daily Value is the maximum amount that is probably bioaccessible out of the 40 mg total it contains. SierraSil cannot be used as a dietary source of iron. The suggested intake and clinical strength levels of SierraSil will not supply enough iron to satisfy RDI needs.
† Patent pending SierraSil is a registered trademark of Sierra Mountain Minerals, Inc.
