

FLEXSolve 24/7

*Works 'round the clock to help support your joints**

FLEXSolve 24/7, the next generation of natural joint support formula, goes beyond glucosamine and chondroitin supplements. This is a unique blend of natural mucopolysaccharides with European and Australian herbs that works synergistically to fortify optimal joint function.*

Directions: As a dietary supplement, take one tablet twice a day on an empty stomach. For additional support, take 2 tablets twice daily.

Do not purchase if seal is broken. Keep out of reach of children. Do not use if you are hypersensitive to any ingredient in this formula or allergic to pineapples or papayas. Pregnant or lactating women and individuals taking prescription medications should consult a healthcare professional before use.
